COVID 19 UPDATE: APRIL 28, 2020

TEMPORARY CLOSURE OF AUBURN ACUPUNCTURE EXTENDED THROUGH MAY 31, 2020

In order to protect our acupuncturists and our clients and in order to continue to work with Washington State to help flatten the curve, Auburn Acupuncture has extended its temporary closure through the end of May.

Beginning May 5, 2020, Auburn Acupuncture will begin booking appointments for acupuncture for June 1st and beyond.

Clients who schedule appointments will receive a copy of our new Clinic Protocols via email and U.S. mail before their appointment.

During this extension of our closure, we are still monitoring advice from the experts (WHO, CDC, WA State Department of Healthy, NCCAOM). We are also responding to phone calls, emails, and text messages.

We wish our clients and their families good health during this time. We would like to express condolences to anyone who has lost a family member or loved one to COVID-19.

We would also like to express deep appreciation for any of our clients (or their family members) who are health care workers. We support you!

Remember, they go to work for us. Please stay at home for them!

We look forward to seeing you in June!
